

CHILD CARE INITIATIVE PROJECT (CCIP)

CCIP places an emphasis on recruiting, supporting, and providing professional growth opportunities to home-based child providers (licensed and exempt) who care for infants and toddlers and children whose families receive child care and development fund (CCDF) subsidies. It has been implemented by child care resource and referral programs (R&Rs) since its inception in 1985.

CAPACITY BUILDING

Start-up Supports

945 newly licensed family child care homes (FCCHs)

provided more than **243K** TA/Coaching sessions to **20,839** CCIP participants

1,347 home visits • **50,714** phone calls • **124,314** emails • **5,782** office visits

192 expanded license capacity from small to large • **97** changed capacity to include infants and toddlers • **135** changed schedule to non-traditional hours • **448** re-opened licensed FCCH

89% increase in participants opting to re-open their FCCH license with CCIP support

QUALITY IMPROVEMENT

3,229 Training Participants

2,074 CCIP participants completed less than 25 hours, **720** completed 25 hours, and **435** completed 45 hours of training

Note: training hours are cumulative

Family, Friend, & Neighbor Caregivers

1 out of 3 new FCCH CCIP participants were formerly FFN caregivers

1,095 LE/FFN caregivers participated in activities (e.g., play groups, home visits, trainings, cafes, CPR, and first aid)

1 out of 5 providers care for a child with a child care subsidy

Data points were extracted from R&R FY 21-22 year-end reports and compiled by the Network. CCIP is a project of the California Department of Social Services
