

# CHILD CARE INITIATIVE PROJECT (CCIP)

CCIP places an emphasis on recruiting, supporting, and providing professional growth opportunities to home-based child providers (licensed and exempt) who care for infants and toddlers and children whose families receive Child Care and Development Fund (CCDF) subsidies. It has been implemented by Child Care Resource and Referral programs (R&Rs) since its inception in 1985.

## CAPACITY BUILDING

### Start-up Supports

**671 newly licensed family child care home (FCCH) providers**

Received up to **\$1K** in start-up reimbursements (e.g., fingerprinting, CPR/First Aid/PHP, fire extinguishers, smoke detectors, electrical outlet covers, baby gates, cribs).

**1,547 Home Visits**  
**58,993 Phone Calls**  
**95,339 Emails**

Guidance and support was provided on the licensing process (Title 22), health & safety, business aspects, and more.

## QUALITY IMPROVEMENT

### 2,570 Training Participants

**1697**

CCIP Participants Completed >25 hours of training

**499**

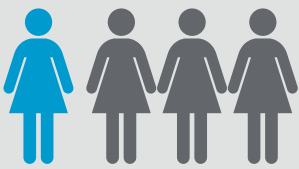

CCIP Participants Completed 25 hours of training

**374**

CCIP Participants Completed 45 hours of training

*Note: Training hours are cumulative*

### Family, Friend, & Neighbor Caregivers

**1 out of 4**  
are CCIP-supported, new family child care providers

**1,136 participants**  
participated in activities (e.g., play groups, home visits, trainings, cafes, CPR, and First Aid)

**1 out of 4**  
providers care for a child with a child care subsidy

*Data points were extracted from R&R FY 20 -21 year-end reports and compiled by the Network.  
CCIP is a project of the California Department of Social Services.*
