

Public Policy Agenda Priorities

The Network supports quality child care options for all families that are accessible, affordable, and equitable.

We urge our policy makers to:

- Pass a budget that prioritizes quality, accessible child care for all children, especially infants and toddlers
- Protect and strengthen the child care delivery system so that every parent trying to provide for their family has the ability to do so, and every child care provider is adequately compensated for the care they deliver
- Prioritize policies that help ensure all parents have the resources they need to care for their families
